

CINDERELLA® CRABAPPLE

Malus 'Cinderella'

Height: 7-8' **Spread:** 5'

Location: Zone 4, sun

Shape: Upright, dwarf

Foliage: Green

Notes: Red buds open to white flowers, 1/4" golden fruit in the fall. Think Cinderella if you want a crabapple tree but think your yard doesn't have room for one, take another look at Cinderella. This tiny tree fits almost any landscape, or even container gardens. It has good resistance to apple scab and excellent resistance to fire blight, powdery mildew, and cedar-apple rust.
