

# RED SUNSET® MAPLE

*Acer rubrum 'Franksred'*

**Height:** 40-50'      **Spread:** 35'

**Location:** Zone 3, sun to part shade, moist soil

**Shape:** Upright branching, oval crown

**Foliage:** Glossy green, scarlet-orange in fall

**Notes:** Considered one of the best for early fall color! Large deciduous tree has pyramidal form when young becoming rounded with age. Glossy green leaves turn brilliant orange-scarlet, extremely showy. Highly rated and reliable, Red Sunset® has become the standard to which others are compared. Easily grown in average, medium to wet, well-drained soil in full sun to part shade. Prefers moist, acidic soils with good drainage.
