

# AUSTRIAN PINE

*Pinus nigra*

**Height:** 50-60'      **Spread:** 30-40'

**Location:** Zone 4, full sun, tolerates harsh conditions

**Shape:** Upright, broadly pyramidal

**Foliage:** Long, shiny, dark green needles

**Notes:** Darkest green of all the pines. Heavy, long needle with strong pine fragrance. Vigorous, dense grower. Tolerates heat, cold, and adverse conditions. Very hardy, withstanding clay and alkaline soils. Good for wind-breaks.
