

# PULSATILLA (PASQUE FLOWER)

**Location:** Zone 4, sun to part shade, drought tolerant

**Shape:** Mounded, low growing

**Foliage:** Green, fern-like

**Notes:** Very finely divided green foliage with silky hairs form a clump from which emerge the large bell-shaped flowers. Wonderful, large, silky seed-heads are as attractive as the flowers.

## Rubra

**H:** 10-12" **W:** 12"
